

OTOPLASTY

Post Op Instructions

Please follow these instructions carefully. Your final result will depend upon how well you care for the treated areas.

DO: Clean suture lines with hydrogen peroxide and a Q-tip six (6) times daily.

DO: Apply bacitracin ointment to suture lines following cleaning six (6) times daily.

DO: Wear a stocking cap or headband pulled over your ears while you are sleeping for two (2) weeks.

DO: Wash hair as discussed with baby shampoo for one (1) week.

DO: Notify us of any excessive swelling, redness or discomfort.

DO NOT: Pull ears forward under any circumstances.

DO NOT: Wear earrings for two (2) weeks.

DO NOT: Sleep on your ears for three (3) weeks.
