

GEORGE MOYNIHAN, M.D.

Chicago Facial Plastic Surgeon George Moynihan, M.D. is a member of the American Academy of Facial Plastic and Reconstructive Surgery and specializes in plastic surgery of the face, nose, eyes, neck and scalp.

He is the Founder and Medical Director of Gold Coast Plastic Surgery. Dr. Moynihan is board certified by the American Board of Otolaryngology-Head and Neck Surgery, which includes facial plastic and reconstructive surgery.

He received additional training in cosmetic surgery of the face, neck and scalp by completing a prestigious one-year fellowship at the Rousso Facial Plastic Surgery Center in Birmingham, Alabama.

Dr. Moynihan has been published in various medical journals, and is a Clinical Associate Professor at Chicago's Rush University Medical Center and Loyola Medical Center.

Dr. Moynihan approaches plastic surgery as a means of contributing to his patient's quality of life by improving their appearance and thus, enhancing their self image through facial surgery. Patient's specific desires to look and feel better must be understood thoroughly by his or her surgeon. Through friendly discussion, Dr. Moynihan gains the necessary understanding to establish a professional yet caring relationship. Dr. Moynihan believes a well-informed patient with realistic goals and expectations before surgery means a happy patient after surgery.
